CERTIFICATION

Students may apply for certification during the spring semester of the first year. Certification requirements include completion of a minimum of 24 semester hours and earning a C or better grade in the following courses: SDC 100, 120, and 140. Additional required courses are COM 102, ENGLISH 101, HISTORY 105, MATH 106 or higher, and one fine arts class (FINE ART 101, 201, or 202). Transfer equivalents may be approved by the program. While students must have a minimum cumulative WSU GPA of 2.5 to apply for certification, the process is competitive due to limited space in upper division courses. Students' overall WSU GPA and major specific GPA from the courses listed above are considered.
