

Professor
School of Design and Construction
College of Engineering and Architecture
Washington State University
Pullman, WA 99164-2220
(509) 335-1994 - FAX (509) 335-6132
E-Mail: bkazimee@sdc.wsu.edu

EDUCATION

1977 Master of Architecture in Advanced Studies
 Massachusetts Institute of Technology

1973 Bachelor of Architecture
 Kabul University

PROFESSIONAL REGISTRATION/AFFILIATIONS

1. Licensed Architect, State of Texas, Reg. No. 14163
2. Member, American Institute of Architects (AIA)
3. Member, The Society of Afghan Engineers (SOAE)
4. Member, International Center for Arid & Semi-Arid Land Studies (ICASAL), Texas Tech University

Editorial

1. Invited member: The International scientific advisory board, for the Responsibilities and Opportunities in Architectural Conservation: Fourth International Conference Organized by The Center for the Study of Architecture in the Arab Region (CSAAR), College of Architecture and Arts, Petra University, Amman, Jordan, November, 2008.
2. Invited member for the International Editorial Board on the book series; The Sustainable World, in affiliation with Wessex institute of technology, and WIT Press, UK.
3. Invited member: the Editorial Board; International Journal of Ecodynamics, in affiliation with the Wessex Institute of Technology and the WIT Press in UK.
4. Invited member; Editorial and International Scientific Advisory Board on the series of international conferences on "Sustainability" in Segovia, Spain 2002 Skiathos, Greece 2003, Siena, Italy 2004, and Bologna, Italy 2005, Portugal 2008, offered by Wessex Institute of Technology.
5. Invited reviewer for GNSF (Georgia National Scientific Foundation) review and recommend research proposals.

Visiting Scholar (August 2011, Summer 2012 & July 215)

The Aga Khan Trust for Culture

Delivered design workshops and lectured on urban development and reconstruction in Afghanistan to the Architecture Department of Kabul University and Kabul Poly Technique, as well as young professionals from Kabul Municipality and Ministry of Urban Development in Kabul.

AWARDS

2001 Listed in **Who's Who in the World**, 18th Edition, New Providence, NJ: Marquis Who's Who, 2001 & 2011.

- 1996 **Gold Medal:** IAA/UN award for International Competition "Ecopolises: Settlements for Sustainable Developments" offered by the International Academy of Architecture and UN Habitat-II conference in Istanbul, Turkey. The **Gold Medal** was awarded for collaborative design project on "Sustainable Community Development: A Regenerative Proposal for Pullman, Washington, USA." (70 entries from 23 countries - with Bartuska).
- 1998 **National Research Award:** AIA/ACSA - Council of Architectural Research National Award, "Sustainable Community Development Project". Exhibited in AIA Convention, Los Angeles.
- 1993 **Teaching Award:** Recipient of the **Burlington Northern Teaching Award** for Excellence and Meritorious Teaching at WSU. One of the highest awards granted by the Washington State University. (with owen)
- 1975-1977 **Scholarship:** Merit based scholarship by Kabul University, and US Agency for International Development granted for two years Graduate Study at MIT.

EMPLOYMENT HISTORY - ACADEMIC

- 2003-Present **Professor & member of graduate faculty**
 School of Architecture and Construction Management
 School of Design and Construction (beginning August 2012)
 Washington State University
- Area of research: Traditional Islamic cities, housing and sustainable communities. (Ref. Publications)
- 1995-2003 **Associate professor & member of graduate faculty**
 School of Architecture and Construction Management
 Washington State University
- Taught & coordinated upper/intermediate level design and theory courses & advised graduate theses.
- 1990-1995 **Assistant professor of architecture**
 School of Architecture,
 Washington State University
- 1984-1989 **Assistant Professor**
 College of Architecture & Planning
 King Faisal University
 Dammam, Saudi Arabia
- Taught and coordinated the upper/intermediate levels Housing/Community Design Studios/Architecture and Urban Form and related theory courses.
- Area of research: study and implication of changing housing patterns in Eastern Province of Saudi Arabia. (Ref. publications)

- 1981-1984 **Lecturer**
Division of Architecture
Texas Tech University
Lubbock, Texas
- Taught Architectural Design Studios – Introductory theory of - architecture & architectural graphics. Advisor to thesis students. Developed seminar course on “ Housing in Developing Countries”.
- Summer 1977 **Researcher**
Department of Architecture
Harvard University
Cambridge, Massachusetts
- Contributed to the research and documentation of the original drawings by Professor Albert Szabo, subsequently published in the book on “**Afghanistan: An Atlas of Indigenous Domestic Architecture**”. (Ref. Publications)
- 1977-1980 **Assistant Professor**
Department of Architecture
Kabul University
Kabul, Afghanistan
- Employed as teaching assistant (1973-1975), subsequently appointed as lecturer in 1977. Promoted to assistant professor rank in 1980. Taught basic design - architectural freehand drawings - construction materials.

PUBLICATIONS

Books & book chapters

- 2016 Book: **Sustainable Urban Form: Theory Design and Application, First Edition**, by Cognella Academic Publishing Inc, California, to be released in January 2016. (in progress)
- 2012 Book: **Heritage and Sustainability in the Islamic Built Environment**, WIT-Press, Southampton, UK, 2012.
- 2015 Book: **Sustainable Urban Form: Theory Design and Application, Preliminary Edition**, by Cognella Academic Publishing Inc, California, January 2015.
- 2003 Book: **Place, Meaning and Form in the Architecture and Urban Structure of Eastern Islamic Cities**, Edwin Mellen Press, Ltd, New York, USA, 2003. (with Rahmani).

- 2010 Book Chapter: ***Traditional urbanism and lessons for global cities: the case of Isfahan***, “ *Eco – Architecture III: Harmonization Between Architecture and Nature* “ edited by S. Hernandez, C.A. Brebbia, & W.P.De Wilde, pp 133 - 143, WIT Press, UK, 2010
- 2008 **Book Chapter: *Learning from vernacular architecture: sustainability and cultural conformity***. “ *Eco – Architecture: Harmonization between Architecture and Nature* “ edited by G. Broadbent & C.A. Brebbia, pp 3-13, WIT Press, UK, 2008.
- 2007 Book Chapter: “**Urbanization and the Global Housing Crisis**” pp 371-378, *The Built Environment: A Collaborative Inquiry into Design and Planning*, Edited by Wendy R. McClure and Tom J. Bartuska, John Wiley & Sons Inc., New Jersey.
- 2008 Encyclopedia: *Encyclopedia of Society and Culture in the Ancient and Medieval World: CRAFT IN MEDIEVAL ISLAM*, pp 261-263, Vol-I, Editor in Chief: Pam J. Crabtree, by Schlager Group Inc. 2008.
- 2008 Encyclopedia: *Encyclopedia of Society and Culture in the Ancient and Medieval World: ROADS AND BRIDGES OF MEDIEVAL ISLAM*, pp 876 – 878, Vol-III, Editor in Chief: Pam J. Crabtree, by Schlager Group Inc. 2008.
- 2006 Book Chapter: “**Sustainable Reconstruction and Planning Strategies for Afghan Cities: Conservation in Culture and Environmental Heritage**,” pp-49 60. *The Sustainable City - IV: Urban Regenerative and Sustainability*, by Editors: U. Mander, C.A. Brebbia & E. Tiezzi, WIT Press, UK, 2006.
- 2005 Book Chapter: “**Sustainable Cells of Urbanism**,” pp 221-243, *Future Forms and Design for Sustainable Cities*, by Mike Jenks and Nicola Dempsey, Architectural Press an imprint of Elsevier, Oxford, 2005.
- 2005 Book Chapter: “**The Dwelling Margin, and Housing Density: Design Consideration for Sustainable Multifamily Housing**,” pp-1039- 1050, *Sustainable Development and Planning II*, Volume 2, WIT press, Southampton, UK.
- 2004 Book Chapter: “**Sustainable Urban Regenerative Process and Densification: Theory and Practice**,” *The Sustainable City - III*, pp 257 – 367, WIT Press, Ashurst, Southampton, UK. 2004.
- 2003 Book Chapter “ **Sustainable Urban Village With Vision: A comprehensive proposal for an ecologically sensitive residential**

- community,”** *Sustainable Planning and Development*, pp. 813-822, WIT Press, Ashurst, Southampton, UK. 2003.
- 2002 **Book Chapter: " Sustainable Urban Design Paradigm: Twenty five simple things to do to make an urban neighborhood sustainable,"** WIT Press, Ashurst, Southampton, UK.
- 1993 **Book Chapter: "Life In Between the Residential Walls in Islamic Cities,"** *Housing Design, Research, Education,*, pp. 221-238, by Marjorie Bulos and Necdet Teymur, Avebury Ashgate Publishing Limited, England. (with Samizay)
- 1993 **Book Chapter: "Quest for Shelter: Squatters and Urbanization Throughout the World,"** in *The Built Environment*, Bartuska, Tom and Young, Gerald L. co-editors, Crisp Publication, Inc., Menlo Park, California 1993.
- 1977 **Published Thesis: Urban/Rural Dwelling Environments: Kabul, Afghanistan,** MIT, Thesis, the MIT press, Cambridge MA. 1977. (Limited Copies)
- 1980 **Book: Traditional Technology & Methods for Constructing Vault and Dome in Afghanistan,** manuscript in Persian, Kabul University, Afghanistan.
- 1980 **Contributor: Traditional Architecture of Afghanistan,** by Hallet, Stanley & Samizay, Rafi, (contributed illustrations and measured drawings).
- 1978 **Contributor: Urbanization Primer,** by Caminos, Horacio & Goethert, Reinhard, The MIT Press, Cambridge MA. 1978. (contributed photographs and illustrations).
- 1978 **Contributor: Preliminary Notes on the Indigenous Architecture of Afghanistan,** by Szabo, Albert and Szabo, Branda D.,(contributed, drawings, see Acknowledgment). Harvard University, Cambridge, MA.

Journals & Conference Proceedings

- Note:** All publications including journal articles & conference proceedings are peer reviewed and selected competitively from a large pool of applicants. The abbreviations that are used in this section stand for: **AIA** - The American Institute of Architects, **ACSA** - The American Collegiate Schools of Architecture, **IAA** - The International Academy of Architecture and **UN** - The United Nations.
- 2013 **“Design Visions for Sustainable Urbanism,”** Special issue of the Journal of Design and Nature & Ecodynamics, Guest Editor: Bashir Kazimee, WIT-Press, Volume 8, Number 4, UK, Fall, 2013.
- 2013 **“The Conservation Activities of the Historic Urban**

- Architecture in Afghanistan**” A Quarterly Update from the Society of Afghan Engineers, SAE, e-NEWSLETTER, Volume 3, Issue 1, Virginia, USA, January 2013.
- 2012 **“Vernacular Architecture of Nuristan: Old Lessons for Shaping New Communities”** Memory Magazine, special issue: Cultural History and Architectural Practice in Afghanistan, Dubai, UAE, Fall 2012.
- 2012 **“Eco – Architecture 2012: 4th International Conference on Harmonization between Architecture and Nature,”** WIT-Press, Kos, Greece, September 2012.
- 2009 ACSA proceedings: **THE VALUE OF DESIGN**, Invited presenter on special focus session: *Instant Cities: The Challenges of Global Urbanism.* Topic: *“Traditional urbanism and lessons for global cities: the case of Isfahan,”* Portland, Oregon, March, 2009.
- 2009 **“Representation Of Vernacular Architecture and Lessons For Sustainable and Culturally Responsive Environment”** Journal of Design & Nature and Ecodynamics, Volum 4, Issue 4, WIT-Press, UK, 2009.
- 2008 Conference proceedings: **“The Role of Environmental and Cultural Heritage in Rebuilding the Afghan Cities”** pp-537 - 548 *Instant Cities :Emergent Trends in Architecture and Urbanism in the Arab World, Edited by A. Moustafa, J. Al-Qawasmi and K. Mitchell,*, School of Architecture, American University of Sharjah, UAE, CSAAR Press. 2008A.
- 2006 **“Teaching Sustainability in Architecture,”** abstract accepted at the: *Changing Trends in Architectural Design Education: Sharing Experiences and Building Partnerships across the Mediterranean Rim.* CSAAR First International Conference; the Center for the Study of Architecture in the Arab Region, In Collaboration with National School of Architecture, Rabat, Morocco, November, 2006. (with Rahmani)
- 2002 International Paper: **“The role of Vernacular in the Making of Tradition,”** accepted for presentation at the Eight Conference of the International Association for the Study of Traditional Environments, to be held in Hong Kong, Dec. 2002.
- 2002 International Paper: **"Sustainable Cells of Urbanism: A Regenerative Theory and Practice,"** accepted for presentation at, *Creating Sustainable Urban Environments: Future Forms for City Living,* Oxford Brooks University, Oxford, UK. Sept. 2002.

- 2002 International Journal: : "**The Living Tradition of Afghan Courtyard and Aiwan,**" in the "**Journal of Traditional Dwellings and Settlements Review**," TDSR Volume XIII, Number II, 2002, Berkley, CA.
- 2001 International Paper: "**UNDER THE SHADOW OF WALLS: Place, Meaning and Form in the Islamic Architecture and Urban Structure of Isfahan,**" proceedings of "**Oriental Occidental**," ACSA International Conference, Istanbul, Turkey, June 2001, ACSA Press, New York & Washington D.C., 2001.
- 2000 Regional Journal: "**Inside with Place: The Architecture of Courtyard Houses and Its Enduring Tradition in Moslem Cities**", article published in the "**UNIVERSE**," WSU Press, Spring 2000.
- 1999 International Paper: "**University Sustainable Village: A Comprehensive Proposal for a New Compact Residential Community,**" published in the proceedings of "**LA CITTA NUOVA**," ACSA International Conference, Rome, Italy, ACSA Press, May 1999. (with Bartuska).
- 2000 Regional Paper: "**Sustainable Urban Planning,**" published in the proceedings of that conference on (**Stewardship Through Architectural Design and Planning**.) by the University of Idaho, Borah Foundation, Moscow, ID. (with Bartuska)
- 2000 National paper: "**University Sustainable Village: A Comprehensive Proposal for a new Compact Residential Community,**" proceedings of "**Greening of the Campus III,**" Ball State University Press, Muncie, Indiana, September 1999. (with Bartuska)
- 1998 National Journal: "**Redesigning That Town; The Magic Word is Sustainability,**" article in "**High Ground**," Number-4 pp. 77-81, edited by Ross Coates, Moscow, ID. (with Bartuska and Owen)
- 1997 International Paper: "**Places In-Between Dwellings: The Essentiality of Place Making in High Density Housing,**" published in the proceedings of "**The 3rd International Convention on Urban Planning, Housing & Design**," Singapore Institute of Planners and the University of Singapore, August 1997.
- 1998 International Paper: "**Constructing a Sustainable Urban Regenerative Proposal for Kyoto, Japan,**" published in the proceedings of ACSA International Conference "**Constructing New Worlds**," in Rio de Janeiro, Brazil.
- 1997 National paper: "**Sustainable Community development,**" paper published in the proceedings of "**The Rural Towns: Designing for Growth and Sustainability,**" pp. 65-73., edited by Wendy McClure, CBDR, University of Idaho, Moscow, ID. (with Bartuska & Owen)

- 1995 National journal: "**Envisioning a Sustainable Community,**" article in the **UNIVERSE**, Washington State University Journal of Education, WSU Press, Pullman, Washington.
- 1996 International Paper: "**Sustainable Community Development: A Comprehensive Urban Proposal for Pullman, WA. USA.**" (Recipient of Gold Medal for the design project and paper) presented at "**Ecopolis: Settlements for Sustainable Developments,**" by the International Academy of Architecture & UN Habitat-II Conference, in Istanbul, Turkey. (with Bartuska)

- 1986 International Paper: "**The Implication of Changing Patterns of Housing in Saudi Arabia.**" abstract published in the proceedings of the "**Built Form and Culture Research,**" International Conference, The University of Kansas. (with Hilton).
- 1982 Unpublished Article: "**A Conflict Between Individual and Bureaucracy: Case Study of a Self Help House and the Growth of Squatter Settlement in Kabul.**"

BOOK REVIEWS:

- 2005 *Imperial Dakar: Irony and Illusion in African Architecture.* By *Thmas M. Shaw,* **The Edwin Mellen Press. (forthcoming)**

- 1998 *"The Seed of Sustainability: An Interactive CD-ROM defining sustainability for the Architecture, Planner and Designer,"* by Robert Fleming, **McGraw-Hill publishing company.** (forthcoming).

RESEARCH & GRANTS

A. Funded Research:

- 2011 Samuel H. and Patricia W. Smith Teaching and Learning Grant from the University College in the amount of \$5000 for Undergraduate Education improvement.
- 1995 School of Architecture mini-grant awarded \$5,000 for the development of "Sustainable Village" concept, ideas and guidelines for Pullman, WA.
- 1994 Prepared "Design" portion of a multi-disciplinary grant proposal to HUD: US Department of Housing & Urban Developments,) to study "Affordable Family Housing: A National Program." Received \$200,000 of grant funds from HUD to prepare the proposal.
- January 1977 Joint Grant Agency for US International Development/Michigan State University for participation in the seminar on "Workshop in Communications."
- 1976 Grant for Field Research of Urban Environments in Kabul, Afghanistan for Master of Architecture Thesis at MIT, by US Agency for International Development and Kabul University.

B. Unfunded Research:

- 1992-95 Directed a student's research and study of high-density housing neighborhoods in Seattle, Portland and Vancouver BC at Washington State University.
- 1986 Conducted research on the study of a traditional neighborhood in Saudi Arabia. See ACSA publications.
- 1978 Conducted research on the study of several traditional residential neighborhoods in Afghanistan. See ACSA publications.
- 1978 Conducted research on "Traditional Technology and Methods for Construction of Vault and Dome in Afghanistan."

PROFESSIONAL EXPERIENCE AND DESIGN WORK

- 2006-2010 **Studio Zarnegar Architecture & Planning**
Karte-Seh, Front of Lycee Habibia Street
Kabul, Afghanistan
- Consulting Senior Architect:** Design and preparation of schematic drawings for the master plans of the American University of Kabul and the University of Kandahar, in consultation with Yost Grube Hall Architects, Portland, Oregon –

Design and schematic drawings for Arg-palace master plan –
Landscape design and conceptual drawings for Delkusha Palace
garden.

1989

The Harsen & Johns Architects
151 West Passaic Street
Rochelle Park, NJ 07662

Architect: Designed single & multiple family houses and a
shopping complex in New Jersey.

1980-1982

Noon Qayum & Company
Architecture and Engineering Consultants
Lahore, Pakistan

Senior Architect: Designed the Federal Bank Building Project in
Islamabad & Football Stadium for the Agricultural University at
Faisalabad.

1973-1980

Memar Collaborative
Architectural and Engineering Firm
Kabul, Afghanistan

Principal and Architect: In this period, while I had a teaching
assignment in Kabul University, I was also managing the Memar
Architectural Firm in Kabul. I was the owner/partner of the firm
and my responsibilities included; designing, management and
advising the design team, scheduling and project assignments,
organizing, developing and maintenance of design programs to
provide quality service to the clients.. The firm was established in
1973. Major works included: Vocational schools, 160 room hotel,
supreme-court building, campus master plan for the University of
Jalalabad, Datsun automobile show room and workshop, private
apartments, private homes and mixed use commercial and
residential buildings.

1972-1974

AEP Collaborative
Kabul University

Part Time Architect and Research Assistant: Originally employed
by AEP Collaborative to do research and drawings for the book
Traditional Architecture of Afghanistan, was promoted to
Architect for on-campus projects.

SELECTED PROJECTS

The American University of Kabul Design and preparation of
schematic drawings for the master plan of the American University
of Kabul in consultation with Studio Zarnegar Architecture &
Planning, Kabul & Yost Grube Hall Architects, Portland, Oregon.

Argh-Palace master plan, Kabul Design and schematic drawings for Arg-palace master plan –Landscape design and conceptual drawings for Delkusha Palace garden, Studio Zarnegar Architecture & Planning, Kabul

Kyoto Sustainable Urban Design Project: Constructing a Sustainable Urban Regenerative Proposal for Kyoto, Japan. An international urban design competition entry.

University Sustainable Village: A Comprehensive Proposal for a New Compact Residential Community, at Pullman, WA. The proposal include 500 residential units on a 70 acres university owned site.

Pullman Sustainable Urban Design Project: A Comprehensive Sustainable, Regenerative Urban Design Proposal for Pullman, WA USA. Project under adaptation.

Mosque in Lubbock, Texas, 34th Street and LaSalle Avenue. Site area 27250 sq. ft. and building area 3000 sq. ft. Project constructed, 1987.

Private apartment building in Char-Rahi Ansari, Kabul, built on a site area of 600 m² and building area of 1280 m² in four stories. The building includes 16 apartment units and shopping on the street level. Project completed 1978.

Private apartment building in Shri-Naw, Kabul, built on site area of 400 m² and building area of 1200 m² in three stories. The building includes 8 apartment units and shopping on the ground floor level. Project completed 1980.

Private house at Karte-Parwan, Kabul, built on site area of 540 m² and building area of 130 m² in two stories. Project completed 1975.

Private house at Wazir-Akbar Khan, Kabul, built on site area of 500 m² and building area of 110 m² in two stories. Project completed 1978.

Private house in Khoshal-Mina, Kabul, built on site area of 150 m² and building area of 144 m² in two levels. Project completed 1978.

Restoration of American Cultural Center, Kabul. Restoration and conversion of existing restaurant and adjacent library space to exhibition hall, a projection room and adding classrooms. Project completed 1976.

Supreme Court Building in Darul-Aman, Kabul. Government project, designed on site area of 4000 m² and building area of 800 m². The project includes two court rooms, offices, meeting and waiting areas. Project not built.

Restoration of the head office of the Asia Foundation in Shari-Naw, Kabul. Project completed 1975

Datsun Car Workshop and Offices in Darul-Aman, Kabul, on site area of 2400 m² and building area of 100 m². The project includes workshop, car exhibition area, offices, selling and service areas. Project not constructed.

Vocational Agricultural School for the Ministry of Education Kabul. The project is designed for 1000 students and is a prototype to be built in four provinces of Afghanistan, having classrooms, dormitories, laboratories and other related facilities. Project constructed, 1980.

Hotel project in Salang-Watt, Kabul, designed on site of 300 m² and building area of 2000 m² in ten stories. The project had 160 bedrooms, restaurant, shopping and market area on the ground and first floor, parking and other related facilities. Project not built.

Office Building for Federal Co-Operative Bank, a subsidiary of the State Bank of Pakistan at Islamabad, Pakistan. Competition Project, Not Applied

Concept plans for football and hockey stadium and associated commercial complex for the Agricultural University, Faisalabad, Pakistan, Project not constructed.

LECTURES, EXHIBITIONS AND MEDIA

- July 2012 Invited lecture: Lectured on “New Urbanism in the USA and Lessons from it ” to the Kabul Municipality city administrators and professionals in Kabul, Afghanistan.
- June 2012 Invited Juror: Served on international jury panel for the National Museum of Afghanistan International Competition, New York, June 25 - July 2nd - organized by USAID and the Afghan Ministry of Culture and Information.
- Nov. 2010 Invited WSU university-wide public lecture: “The Role of Environmental and Cultural Heritage in Rebuilding Afghan Cities”.
- March 2004 Invited lecture: Museum of Arch/WSU university-wide lecture “ Traditional Architecture of Afghanistan”
- Spring, 2002 Spokesman Review: Article on the "21st Century Home," April, 21st, 2002, Spokane, WA.
- 2001 Interview: by the “National Brazilian Daily Journal do Brazil,” by Mr. Douglas McMillan, editor, Dec, 2, 2001, on the reconstruction and urban design problems of the city of Kabul, Afghanistan.

- Dec. 2,001 Invited lecture: Moscow International Community and Diversity "Islamic Architecture of South Central Asia," Moscow, ID.
- Feb. 1999 Invited lecture: "Islamic Architecture and Urbanism of 17th cc, Isfahan," Kiwanis Club of Moscow community, Moscow, ID.
- May 1998 Invited Lecture: "Sustainability: The Emerging New Paradigm for Environmental Design," ACSA International Conference, Rio de Janeiro, Brazil.
- Apr. 1997 Persian News: Ariana Afghanistan Communication Media TV, International Program, Virginia. Interviewed in regard to the International Gold Medal award, by UN. & IAA in Istanbul, Turkey.
- 2/1997 College news: "Problems Confront Local and World Housing," *Innovation*, WSU College of Engineering & Architecture, Pullman, WA.
- January 1997 Invited Lecture: Art a La Carte – Museum of Art Sponsor Public Lecture series "Sustainable Community Development," January 30, Washington State University, Pullman, WA
- Winter 1996 Threshold 21: "Faculty Accomplishments and Awards," School of Architecture Publication, WSU.
- Winter 1996 The Voice: Habitat II Conference News, AIAS Architecture Student Publication, School of Architecture, WSU,
- February 1997 Invited lecture: "Sustainable Community Development," Moscow Women Legal Voters Association, Moscow, ID.
- 11/1996 Associated Collegiate Schools of Architecture Newsletter: "WSU Profs. Win IAA, International Gold Medal," *ACSA Newsletter*, Volume 26.
- November 1996 Public exhibition: Student Projects for Willopa Bay exhibited to Willopa Bay Coastal Resource Science Center at Long Beach, WA.
- October 1996 Televised Symposium: "World Housing Crises," Televised Symposium on Habitat-II Conference in Istanbul, Turkey, School of Architecture, WSU, Reference: Evergreen & Daily News.
- October 1996 Public exhibition: "Sustainable Community Development" and "Pullman Sustainable Village." Architecture Gallery Carpenter Hall – Habitat II Materials.
- October 1996 Public exhibition: "Sustainable Community Development," and "Pullman Sustainable Village," WSU - Statewide Political Forum & Public Reception.
- October 1996 Exhibition: Student Farm Steward's Home at Koppel Farm. Student and faculty presentation and exhibition of student projects

to community organized by Graystone Foundation Annual Members Meeting at City Hall, Pullman, WA..

- September 1996 Invited lecture: "Future Homes," Pullman High School, Senior Class in Mrs. Gloria Tinder's class, Pullman, WA.
- 11/1996 Pullman News: Pullman Community Update and news, in regard to the International Gold Medal award to WSU professors by UN., & IAA in Istanbul, Turkey.
- 10/1996 WSU Evergreen: "College Access Key Topics of Political Forum," *WSU Evergreen*.
- 10/1996 Moscow-Pullman Daily News: "Building a Better Pullman," .
- 9/1996 WSU National News Release: "Sustainable community Plan Wins Global Gold," *WSU News*.
- 9/1996 Columbia Basin Herald, No. 46: "Washington State University Plan Wins Award for Town Design,"
- 5/1996 International Academy of Architecture Newsletter: *Ecopolise* "Settlement for Sustainable Development," international competition, International Academy of Architecture in Istanbul IAA Review.
- October 1995 Exhibition: "Modeling Sustainability," Palouse Clearwater Institute of Environmental Institute (PCEI), Community Workshop in Pullman, WA.
- Fall 1995 Public presentation: Presented "Pullman Sustainable Village" to WSU Administration and City Contractors, Pullman, WA.
- Summer 1995 Public presentation: Presented "Pullman Sustainable Village," project to the City of Pullman, Pullman, WA.
- Spring 1995 Lecture and presentation: ES/RP 490/590 course on Sustainability, School of Environmental Science & Regional Planning, Washington State University, Pullman, WA.
- Spring 1995 Exhibition: "Modeling Sustainability," PCEI, Spring Fair, Pullman, WA.
- Summer/1994 Threshold 21: "Bashir Kazimee and Paul Hirzel: Exploring the Meaning of Place," The News Journal of the School of Architecture, Washington State University.
- 3/1994 WSU Evergreen: "The Ghosts of Graystone Church,"
- 2/1994 WSU Financial Report 1993: "Designing for the Real World," Research That Makes a Difference, Washington State University, Pullman.

- October 1994 Presentation: "Sustainable Community Development, City of Pullman Planning Commission, Pullman, WA."
- Summer 1994 Exhibition: Student, Co-Housing in Toppenish to Heritage College and the Community of Toppenish, WA.
