120 credits required for BA Interior Design degree							

¹ Beginning fall 2023, students are required to complete 6 of 7 UCOREs in these designations: ARTS, BSCI, DIVR, EQJS, HUM, PSCI, SSCI, and complete one lab science (BSCI or PSCI), unless otherwise specified by the program.

² All first-year students must take the ALEKS math placement exam. Based on score, prerequisites may be required.

³ Community Studio or Internship option this semester.

⁴ Supportive Electives: At least 10 credits of any 300-400-level courses from ARCH, CST M, I D, DESIGN, LND ARCH, SDC, or other courses approved in consultation with I D Program Head not used to fulfill major requirements. Italian Language course is considered a supportive elective for students who study abroad.

Admission to Professional Program

Interior Design (ID) is a four-year program structured into one year of pre-professional coursework and three years of major (professional) coursework. Professional program courses begin in second year fall. Due to the sequential nature of courses, there are no spring admits. To be considered for admission into the ID program, a student must have completed the following pre-professional coursework (or their approved equivalents):

COM 102 [COMM], ENGLISH 101 [WRTG], FINE ART 101, 201, or 202 [ARTS], HISTORY 105 [ROOT], PSYCH 105 or SOC 101 [SSCI], and SDC 100, 120, 140, each with a grade of C or better and an overall GPA of 3.3 or higher.

Students not meeting the admission to major criteria above will be considered until enrollment limits are reached. Average enrollment limits into the second year of the interior design major are 25-30 students. Greater emphasis is given to performance in SDC 100, 120, and 140. Completion of all pre-professional coursework does not guarantee acceptance into the professional program. Students are encouraged to work with SDC advisors to identify an alternate major should they not be admitted to their primary choice of major.

Transfer Students

A limited number of transfer students are considered each year. Requirements include completion of the pre-professional courses (or approved equivalents). Emphasis is given to cumulative GPA. A design portfolio may be requested for additional evaluation.

Schedule of Studies

This plan is a suggested path to completion of the interior design degree. Students will meet with an advisor each semester to confirm academic schedule and monitor progress towards graduation.

Students are required to earn a grade of C or better in all major courses required for the degree (SDC 100, 120, 140, 250, 300, 350, 473; I D 197, 201, 203, 205, 215, 277, 297, 312, 321, 325, 326, 333, 350, 397, 415, 425, 426, 460).

Recommended courses, supportive electives, minors and certificate programs

- CST M 102: Intro to the Built Environment (recommended)
- SDC 101: New Student Seminar in the School of Design and Construction (recommended)
- Supportive electives (list provided each semester/work with advisor)
- Construction Management, Interior Design, Exhibition Studies (minors)
- Energy Conscious Construction, Eco Arts and Public Engagement (certificates)
